Senior Thesis Topic Proposal

Please read the flyer titled “ACMS Honors Program” for information concerning choosing a topic and writing a thesis.

Name: ___________________________  Student ID Number: ____________

Expected graduation date (QTR/YR): ________________________________

Are you in the College Honors Program?  Yes: ☐  No: ☐

Supervisor’s name: ________________________________________________

Thesis title: ______________________________________________________

Short description of what you plan to include in the thesis:

_________________________________________________________________

_________________________________________________________________

By signing this form, both the student and the supervisor indicate their understanding that the following deadlines must be met in order for the thesis to qualify for a degree with College Honors or with Distinction in ACMS. Exceptions to the deadlines may be granted only by the chair of the ACMS Honors Committee.

1. Signed topic proposal form must be submitted to the ACMS Honors Committee by the last day of classes of the quarter preceding the student’s final quarter.

2. First draft of thesis must be turned in to the supervisor at least 3 weeks before the end of classes in the student’s final quarter.

3. Final thesis must be turned in to the supervisor and ACMS Honors Committee by the last day of classes in the student’s final quarter.

4. Once approved, you are required to email your thesis to advising@math.washington.edu and we strongly encourage submitting the document to the University Library Archive (link: https://catalyst.uw.edu/collectit/dropbox/rworks/37656).

Student’s Signature          Date
